

Elder Dane D. Clark is the Senior Pastor of Bethel Temple Apostolic Church and Bethel Temple Ministries in Columbus, Ohio and has been preaching the gospel for over 30 years. As the visionary for this ministry, which was established in 1983, he and his wife of 35 years, Lady Lisa, have been effectively releasing a transforming word. A word that has been changing the lives of people and advancing the kingdom of God.

Operating in a prophetic anointing, Pastor Clark is a preacher, teacher and counselor who actively engages individuals, empowering them to become what God has ordained. Along with his wife he conducts marriage enrichment workshops, establishes foundational ministries, trains others to fluently flow in the spirit, provides resources for spiritual empowerment, provides one-on-one counseling sessions and fills in the gap where needed. He is actively involved within the community and is creating ministry beyond the walls of the sanctuary, into the lives of the people.

Pastor Clark is an accomplished columnist, national speaker and author that carries a kingdom message which transcends the sanctuary, penetrating the hearts of men for the Glory of God. He has released in such publications as the Columbus Call and Post, The Praise Reporter and Urban Trendsetters News Magazine. He has also been featured in both the 2008 and 2009 editions of Who's Who in Black Columbus, shared the gospel message on JOY106.3FM and was featured on TBN's Praise the Lord.

In 2010, God continued to propel Pastor Clark and the ministry of Bethel Temple, enabling him to make a divine deposit with the release of his first book, "The Life Streams of the Church." This book was published through WordSong Publishing and carries foundational principals that empower and sustain the body of Christ.

In November 2010, God enlarged his territory even greater, opening the door for him to minister internationally at a Christian Leadership Summit in Nagaland, India, taking the kingdom message to the nations.

In conjunction with his heart for the community, God has blessed this ministry to purchase a new building: "The Bethel Temple Ministry Center," seeing the manifestation of the next phase of the ministry come to fruition.
