

Lady Lisa M. Clark

Lisa M. Clark is the First Lady of Bethel Temple Apostolic Church. Referred to as a woman of compassion, she is dedicated to the advancing of the kingdom of God in the lives of people. She carries a deep love for the people of God and desires to see souls added to the

kingdom. Empowering them through the word of God, she releases biblical principals into the lives of people that they may walk out God's divine will for their lives. Widely regarded as a humble 'Woman of Excellence,' Lady Lisa has a way of encouraging others through the spirit that not only makes her a pastor's wife in title, but in deed.

“My desire is to see the manifestation of God fulfilled in the earth for the body of Christ, and to see souls enter into the Kingdom.”

As the wife of Pastor Dane D. Clark, Lady Lisa ministers by the spirit to the women God has charged her with. Touching lives with compassion and the sound doctrine of truth, Lady Lisa is an anointed woman of God that is stepping forth in this generation. Through teaching, singing, counseling and simply being an example, she is walking in the path God ordained for her.

Our Vision:

The vision of the ministry is to empower all women to be an influence in this season of their lives. For them to make a difference in their home, community and workforce; wherever God has placed them for the Kingdom. To affect lives by the life they live in **Christ**; helping people to be restored back to the Kingdom of God. To build a bridge of hope in this dying world, leading by example and teaching woman to stand in the gap and building hedges through prayer and fasting, with vision. Teaching women how to claim their position as a **“Daughters of the True Vine.”** And teaching women how to work together to help build the Kingdom (God's Kingdom).

We are Daughters of

The True Vine The Gathering:

The Daughters of the True Vine gather every fourth Sunday at 5 p.m. This gathering is a time of release, impartation, relationship building and strength. Under the direction of Lady Lisa, empowering words of inspiration and wisdom are released. Through prayer, the proclaimed word or simply a time of sharing, the daughters are strengthened by the power of God.

Fellowship:

As God directs, the daughters of Bethel Temple join other daughters of the kingdom to hear a word, fellowship and draw strength from one another. Through casual fellowship to intense impartation, women are strengthened by the power of God.

The Conference:

In October, 2007, God propelled the daughters to another level through the movement of the first “Daughters of the True Vine” conference. This anointed gathering transferred the life changing word of God into the lives of the women. With empowering words from four mighty women of God, including Lady Lisa, the women were taught, inspired and spiritually motivated to walk in the fullness of the call God has placed on their lives.

Purpose:

Divinely orchestrated by God, the purpose of this ministry is to be an umbrella for all women, both single and married. To empower them through the word of God; addressing the needs in their lives. Providing an atmosphere of healing and bond of sisterhood, the purpose is to strengthen women one-by-one through the word. As they are strengthened, their families are strengthened, their marriages are strengthened and the strongholds of the enemy are destroyed.

Two vital components to the ministry include:

- God's weeping women/prayer
- Women's dine out/fellowship
- Words of Wisdom

What Is Our Mission?

- To empower women from the root of the Spirit.
- To lead women to a deeper level of spiritual maturity that will impact all areas of their lives.
- To provide resources that will strengthen women as individuals and bond them as sisters in Christ.
- To train & teach through the Word of God

Who We Are - An Affirmation

We are women, women of God created in His image. We are black, white and yellow, we are women of all color and races, but yet one in the Spirit. We are strong, mighty, courageous, willing, desiring women. We are women of strength and of power. We are women of faith; women of femininity. We are women of destiny and purpose and we will fulfill this great plan of God for our lives. We are a sister, a daughter, a mother, someone's grandmother, the wife to our husband. We are a friend in time of need. We are women that will build the old waste places, raising up the foundations of many generations, and shall be called the repairers of the breach, the restorers of paths to dwell in (Isaiah 58:12).
