Payment and Registration Policy

- Children must have completed Kindergarten and have not yet attended 6th grade to attend Camp Fast Forward.
- No camper will be registered until we receive the registration fee and security deposit indicated below. Applications will be processed in order of receipt. The application deadline is June 3, 2011.
- Camp Fast Forward payment policy requires a \$100 **non-refundable, non-transferable** deposit to secure your child's space for the camp. **The deposit is part of the total camp fee and is not an additional charge.** The deposit must accompany this registration form.
- Enrollment is for the entire camp (June 13 – August 12, 2011, closed week of July 4th). Weekly fees must be paid even when child is absent or away on vacation.
- Installment Payments: Parents are welcome to pay the balance of their child's camp fee prior to the start of the camp. However, Camp Fast Forward recognizes that some parents will find it more convenient to pay incrementally. Therefore, **parents have the option of paying their fees weekly or bi-weekly as long weekly fees are paid in advance.** All weekly fees are due by the Friday prior to the start of each camp week. Failure to pay on time may result in the camper's name being removed from the camp roster. You may contact the camp director at any time to check your account balance.
- Parents/guardians are required to fill out necessary paperwork and will receive camp information to ensure a fun and successful summer of camp.
- Cancellations must be submitted to the Camp Director for approval by June 10, 2011. **Cancellations will result in the loss of security deposit.**
